

Itinerary - June Lupine & Waterfall Photography Workshop

Monday June 10, 2019

Check in at the Inn at Sunset Hill anytime between 3:00pm and 8:00pm call if you are coming in later. Phone # is (603) 823-7244

7:00 pm - Welcome reception downstairs in the function room with a slide presentation. Get to know your fellow workshop participants and leaders.

Tuesday June 11, 2019

4:30 am - (Optional) Before sunrise we head to the Lupine fields for sunrise which is at 5:03 am. The light is wonderful on the lupines until around 9:00 am at which time we will head back to the Inn for breakfast which is included with your room.

11:00 am - Meet downstairs in the function room for a critique and overview of the morning and some of our thoughts on how things went. At this time we will be going over using Lightroom, Capture 1, Photoshop etc. and how we use them. We will be discussing at length our process from visualizing the image to final output.

12:30 pm - Lunch at the Inn or on your own or as a group

2:00 pm - Meet up in the front lobby to discuss which waterfall location we will be going to. This will require more driving and it is suggested to car pool so we don't have a giant caravan. We will be doing a different waterfall location each day.

5:00 pm - Return to the Inn for a bit of relaxation.

6-7:00 pm - Dinner at the Inn or on your own.

7:15 pm - Critique of the afternoon waterfall shoot with more work in Lightroom.

8:15 pm - Sunset over the Presidential Range (out the back door of the Inn)

Wednesday June 11, 2019 Depending on how things have gone shooting and weather wise this schedule may change.

4:30 am - (Optional) Before sunrise we head to the Lupine fields for sunrise which is at 5:02 am. The light is wonderful on the lupines until around 9:00 am at which time we will head back to the Inn for breakfast which is included with your room.

11:00 am - Meet downstairs in the function room for a critique and overview of the morning and some of our thoughts on how things went. More intense work with Lightroom depending on how people are feeling and what the group would like to work on.

12:30 pm - Lunch at the Inn or on your own or as a group

2:00 pm - Meet up in the front lobby to discuss which waterfall location we will be going to. This will require more driving and it is suggested to car pool so we don't have a giant caravan. We will be doing a different waterfall location each day.

5:00 pm - Return to the Inn for a bit of relaxation.

6-7:00 pm - Dinner at the Inn or on your own.

7:15 pm - Critique of the afternoon waterfall shoot with more work in Lightroom.

8:15 pm - Sunset over the Presidential Range (out the back door of the Inn)

Thursday June 12, 2019 - We are leaving Thursday as an open day in case the weather is a problem earlier in the week. The schedule will be fluid if the weather is ok and we will do some exploring if folks want to.

4:30 am - (Optional) Before sunrise we head to the Lupine fields for sunrise which is at 5:02 am. Waterfalls in morning light in this area can be choppy lighting wise. But if people like we can go investigate and see what the morning brings. The light is wonderful on the lupines until around 9:00 at which time we will head back to the Inn for breakfast which is included with your room.

11:00 am - Meet downstairs in the function room for a critique and overview of the morning and some of our thoughts on how things went. More intense work with

Lightroom depending on how people are feeling and what the group would like to work on.

12:30 pm - Lunch at the Inn or on your own or as a group

2:00 pm - Meet up in the front lobby to discuss which waterfall location we will be going to. This will require more driving and it is suggested to car pool so we don't have a giant caravan. We will be doing a different waterfall location each day.

7:15 pm - Critique of the afternoon waterfall shoot with more work in Lightroom.

8:15 pm - Sunset over the Presidential Range (out the back door of the Inn)

Friday June 13, 2019

Check out from the Inn before 11:00 am

We have scheduled this day as a half day. The Lupine Fields are always an option in the morning and if folks like we can go down to the Basin in Franconia Notch to photograph the waterfalls there again since it is on the way out.
